**DSM V Diagnosis Codes**

**Scope:** This alert applies to all providers in all HealthChoices counties, the ALDA program, and the ALMH program.

**Purpose:** To notify providers of the official and final transition from DSM IV to DSM V.

**Requirements:** Effective immediately, Community Care will no longer accept DSM IV diagnosis codes in batch authorizations or via Community Care’s secure ePortal (Request Center). As of this date, Community Care will only accept DSM V codes. These DSM V codes must correspond with ICD-10 codes.
